CIVIL ACTION NO.: 3:17-CV-00096-NBB-JMV

AUSTIN T. MCCAIN

DEFENDANT

---

ORDER ON DEFENDANT’S MOTION TO STRIKE  
DESIGNATION OF EXPERT WITNESSES

---

Consistent with the Court’s ruling from the bench during a telephonic hearing held April 11, 2018, it is, **THEREFORE, ORDERED:**

1. That Defendant’s motion to strike Plaintiff’s expert designations [19] is denied; though, it is hereby noted that during the course of the hearing, Plaintiff withdrew her designation of all the subject experts except Dennis McCoy, M.D., whose deposition has been completed, rendering said motion moot with respect to the remaining experts.
2. That having determined that the designation of Dr. McCoy is inadequate, the deadline for discovery is extended to **5/14/18**—only for the purpose of allowing Defendant to conduct a single additional doctor deposition and/or designate any rebuttal expert by the discovery deadline— and the deadline for dispositive and *Daubert* motions is extended until **5/30/18**, so as to alleviate any prejudice attending Plaintiff’s inadequate designation of Dr. McCoy.

This, the 12<sup>th</sup> day of April, 2018.

U. S. Magistrate Judge
